

7 October 1948

25X1

This is in answer to your letter of 5 October 1948 concerning your retirement refund check. I am sorry to hear that the check has not been received to date.

Upon receipt of your letter I caused a check to be made with the appropriate officials of the Agency and was informed that all the necessary information pertaining to your retirement refund has been forwarded to the Civil Service Commission. I was further informed that such refunds require approximately six months for processing. This means that you should receive the check sometime in December or January.

If the check is not received within the time indicated above you may, if you wish, write me again and I will cause a further check to be made.

Trusting that this provides you with a satisfactory answer to your problem, I remain,

Yours sincerely,

L. K. WHITE
Col., USA (Ret.)

JRC/dt
